Translation

Non so più cosa son
from *Le nozze di Figaro*
(The Marriage of Figaro)

Lorenzo Da Ponte
(1749-1838)

I can't give you a good explanation for this new and confusing
sensation.

Every lady I see makes me tremble with pleasure and pain.

When of love there is merely a mention

I am spell bound and rapt with attention.

I weave romances and daydreams together,
filled with longing I cannot explain.

If I knew what it is, I'd confess it,
but I am at a loss to express it.

Yes I know that it always excites me,
that it thrills me again and again.

Love is my inspiration, only consideration.

In rivers, woods, and flowers,

I feel its magic streaming, awake, asleep and dreaming.

In gentle woods and showers, I hear its mellow tone.
